A TASTE OF ITALY GRIFFITH IS BACK

The highly anticipated 'A Taste of Italy Griffith' is back for another year and the Tourism Team is thrilled to reveal what's in store for 2024.

The festivities will run from 19 – 25 August for a week-long celebration of Italian culture, food, wine, music and dance.

You'll be spoilt for choice with a program featuring over 21 Italian inspired events and experiences. The 2024 line-up includes a variety of new and exciting experiences as well as the beloved annual traditions that locals and visitors look forward to from year to year.

The 'A Taste of Italy Griffith' campaign has only just kicked off and the tourism team is already seeing movement in ticket sales, coach group bookings and enquiries flooding through the Griffith Tourism Hub.

Griffith's Italian heritage is celebrated daily through its delicious food, wine offerings, farm tours, and warm hospitality.

During the festival, you can enjoy even more with Italian-inspired cultural exhibitions, cooking demonstrations, interactive workshops, a sidewalk sale, tasting experiences, long lunches, live music, and more.

With 'A Taste of Italy Griffith' growing in popularity each year, pre-booking tickets for each event is strongly recommended. You can pick up a program from the Griffith tourism hub or head to www.atasteofitalygriffith.com.au for the full event calendar and all the information you need.

So, mark your calendars from 19 - 25 August for 'A Taste Of Italy Griffith 2024' and immerse yourself in a burst of Italian culture right here in Griffith.
